

## (Form 26)

Note: This form is to be used to record operation of engines operated in a rental transaction. Non-certified engines also have daily recordkeeping requirements. Use Form 21 for daily recordkeeping for non-certified engines.

1. *Company Name* -- Legal name of entity, business, organization, agency, or private individual that owns the registered portable engine and rents the engine to a renter.
2. *PERP Registration Number* -- Enter the registration number from the registration certificate or sticker.
3. *Record Source* -- Enter the method used to record engine operation.
4. *Location* -- Enter the name of the county, air pollution control district, air quality management district, or other indicator of location (such as the street address) where the unit operated on the date recorded.

Note: The name of the air district can be found on our website by entering a zip code, city name, or county name:
